

# BRUNCH

Served 10am-1pm Friday & Saturday  
10am -4pm Sundays & Bank Holidays

*Brunch is our favourite meal of the day and this menu is a collection of dishes we love to eat. These are our take on classics; some indulgent, some light, all tasty and all go well with a Bloody Maray...  
Any questions, just ask. Enjoy!*

## **"What is a 62° egg?!"**

*It's an egg cooked slowly at a very precise temperature (62-63 Celsius). Forget your three-minute egg, this takes 2 hours and creates the 'perfect egg' - a super soft egg white and a rich, golden yolk.*

**We are happy to cater for your little ones, please ask your server!**
